OUR LADY AND ST HUBERT'S CATHOLIC PRIMARY SCHOOL

Every Child Needs a Mentor (ECNM)

To whom it may concern,

I am delighted to recommend Every Child Needs a Mentor (ECNM), whose mentoring programme has made a positive difference to children at Our Lady and St Hubert's Catholic Primary School.

Through the mentoring support provided by ECNM, children have benefited from positive, meaningful relationships that recognise their individual needs, personalities and aspirations.

The mentoring provision has helped children develop greater confidence, recognise their strengths and abilities, and build resilience when faced with challenges. Through encouragement and individualised support, children have been supported to overcome difficulties, challenge themselves and develop a more positive belief in what they can achieve.

One of the strengths we have observed in ECNM's provision is the emphasis on understanding each child as an individual. The mentoring approach encourages children to feel valued, listened to and understood, helping to create trusting relationships in which they feel supported to develop their potential.

We have seen the positive impact of this provision on children's confidence, outlook, resilience and willingness to believe in themselves.

We are grateful for the contribution ECNM's mentoring programme has made to the children at Our Lady and St Hubert's Catholic Primary School. I would be pleased to recommend Every Child Needs a Mentor to other schools seeking mentoring support that helps children develop confidence, resilience and a stronger belief in their own potential.

Yours sincerely,
